

## Advanced Characterisation of Energy Materials Workshop

### Wednesday 21 April 2021

### Agenda

9.20	Greetings/Log in	
9.30	Welcome by Professor Serena Corr	
9.35	<a href="#"><u>Professor Louis Piper</u></a>	University of Warwick
10.05	<a href="#"><u>Professor Beverley Inkson</u></a>	University of Sheffield
10.35	Flash Presentations PhD/Post Doctoral Researchers	
11.05	Refreshment break	
11.20	<a href="#"><u>Professor Nigel Browning</u></a>	University of Liverpool
11.50	<a href="#"><u>Dr Siân Dutton</u></a>	University of Cambridge
12.20	Focus on Capability (Parallel sessions)	Bruker & Malvern Panalytical
13.00	Lunch break	
14.00	Panel session, chaired by Professor Serena Corr	Professor Andy Beale, Finden Gareth Hinds, NPL Paolo Melgari, CPI Professor Andrea Russell, Southampton University
15.00	<a href="#"><u>Dr Christina Bock</u></a>	National Research Council Canada
15.30	Close	

## Advanced Characterisation of Energy Materials Workshop Wednesday 21 April 2021

*Our special guests for a panel discussion include:*

[Professor Andy Beale](#), Chief Scientific Officer, [Finden](#)

[Gareth Hinds](#), Science Area Leader in Electrochemistry , [NPL](#)

[Paolo Melgari](#), Principal Scientist, [Centre for Process Innovation \(CPI\)](#)

[Professor Andrea Russell](#), Professor of Physical Electrochemistry,  
[University of Southampton](#)

### Focus on Capability

Join a parallel session by our poster prize industry sponsors:

[Register](#) via Eventbrite by Friday 16th April
